MEET MAXIE McDOUGALL

I have felt for sometime that Monmouth College needed a cartoon character—therefore, Maxie McDougall. I first tried him out in the song book, and since no one banged me over the head with a sledge hammer, I introduce him to you again in the following pages.

Maxie is a Scotch Gremlin. Now Maxie is much like you and me, except for a few little details. The only characteristics that gremlins really possess that distinguish them from the people in whose land they live are:

1. Pointed ears. These are proof of the fact that all true gremlins are direct descendants of hobgoblins.
2. They are very small. They grow, once in a while, to a size of two feet, but these tall characters are only found among the aristocratic British gremlins—you know, tails, monocle, cane, etc.
3. They vanish when they are frightened.
4. They are very shy, usually leading rather quiet, sedate lives, except when their anger is aroused, or when they go on one of their "binges."
5. "Binges." When gremlins do go on these binges (they drink pear juice and become quite intoxicated), they become very devilish. Any time the lights go out, or your girl snubs you, or you flunk a test, or anything happens that you absolutely cannot explain, blame Maxie.

I have it on good authority that Maxie has been assigned to Monmouth College for the duration of his career. Of course, when good things happen, you can blame Maxie, too—for he's really awfully kind at heart.

HIS IS MONMOUTH

Under the tower of Wallace Hall, moves the steady current of active college life. Using this tower as our theme, and with Maxie McDougall as our guide, we take a look at the year 1949-1950 here at M. C. First, the rush of Freshman Week, Registration, the Polescrap. Then comes Homecoming with the return of the clan. Gracie's musical show, and the May Fete highlight the spring calendar. We see the activities, the honoraries, the athletics, the Greeks, and finally the faculty and the classes. . . . We see Monmouth, 1950.

THE 1951  AVELINGS ♦

FRESHMAN WEEK

Highlighting the turmoil of freshman week is the Walk-Out and Mixer. The torch-lighted snake dance down East Broadway tied up traffic and created quite a scene in downtown Monmouth while many acquaintances were made by the all too eager upperclassmen with the wide-eyed freshman beauties.

Once again, the tennis courts were converted into a Cinderella Ball—the bonfire, Chinese lanterns, and that good old harvest moon.

Couples "cut a rug" at the Freshman Mixer.

REGISTRATION

Registration presented an even more perplexing problem to the newcomers. Of course the well-seasoned upperclassmen stood placidly by, watching them trudge from one long line to the next. Under the watchful eye of Miss Inez Hogue, registration is always smoothly undertaken. With our first week of play and registration over, we began the "ole grind" again.

Signing your life away . . . registration.

"Best mud I ever tasted."

POLESCRAP

And of course the green and greasy freshmen were unsuccessful against the stalwart soph defenders of the pole.

Victory confident sophomores appeared on the scene ready to unhand the conniving freshmen. The traditional tourney ground after Round One was well plowed up under the feet of the surging regiments.

Round three saw frosh and soph alike . . . muddy, greasy, some almost clotheless, and mighty worn out.

"Square those hats, freshmen, you've lost again."

Triumphant sophomores . . . after the fray.

Hitch up them britches, Bob.

HOMECOMING

Football thrills, beauty, awards, decorations, and—best of all—the reunion with old college chums, completed the order of the day as Monmouth celebrated its annual Homecoming football game.

Rulers for a day were Her Highness Marcia Tubbs and the 1950 court.

Homecoming was highlighted by house decorations, a float parade, and stunt night.

Pulchritude plus: Mona Yard, Jeanne Black, Marcia Tubbs, Donna Neimann, and Winkie Wilmot.

"Easy on that firewater" . . . at the Homecoming Dance.

Prize winner of the parade was Tau Kappa Epsilon, followed by Kappa Delta. Alpha Tau Omega captured the honors for house decorations and the Sig Ep's produced the winning skit for stunt night.

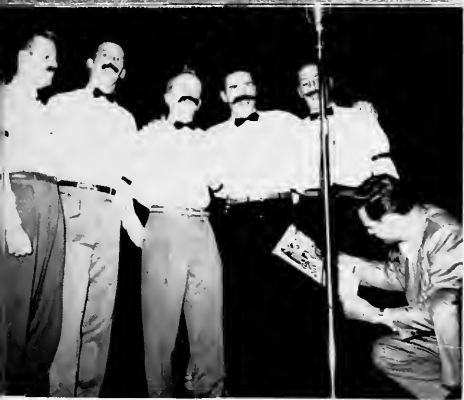

The keynote of Homecoming was the crowd . . . the crowd at the parade, at the game, and at the dance.

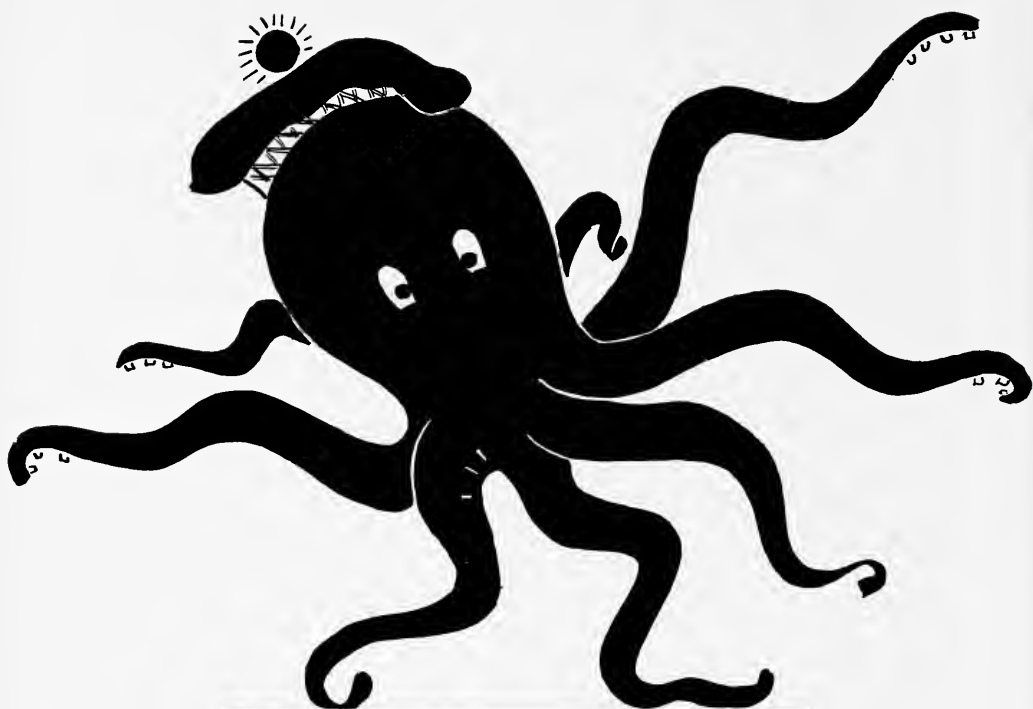

Top: Teke pledges tote their Green Dragon home with the first place "bacon."

Middle: ATO wrecks a Viking ship, and wins hands down in house decorations.

Bottom: The Sig Eps "Knock 'em dead" to win Stunt Night in a howl of laughter.

The Order of the Octopus, senior men's honorary society, was founded in the spring of 1928 by a group of seniors who saw the need of an organization to bind together the various groups on the campus and to thus carry on, as a unit, the traditions and ambitions of Monmouth College.

Banned from the campus in 1942 by a college order that forbade all secret organizations, the Octopus was reactivated in 1946. The group remained sub-rosa until 1948, when some alumni members and the college administration came to terms to legalize the organization.

The eight seniors who comprise the Octopus are selected late in the spring of their junior year by members of the preceding class. The selection is based upon campus activities, leadership, personality, and contribution to campus life. The identity of members of the Octopus, by tradition, is revealed in the Ravelings that is published just prior to their graduation.

A scholarship fund to aid deserving underclassmen was established last year. The award, in the amount of \$150, is announced annually at the time of Commencement. The fund is provided by active and alumni members, who presently number 183.

Professor Howard Jamieson, an Octopus member of the class of '40, is the faculty advisor.

Members of the Octopus for the past year were: Ray Timmons, James Feehley, Robert Burnett, Walter Forsyth, Donald McKinley, Lloyd Jackson, Jack Francis, and Jerrold Linton.

HITS AND MISSES

Music that everyone loves was presented by the inimitable Gracie and the cast of "Hits and Misses" against elaborate stage settings and costumes that made this show one of the finest musicals ever presented at Monmouth College.

The curtain rose to the ever popular, "It's a Grand Night for Singing," and the chorus moved into the music of the immortal

Vincent Youmans . . . "Great Day", "Through the Years", "Without a Song", and many others.

The colorful Trinidad group of "Poinciana", "Tico-Tico", "Flamingo", and "Baia" highlighted this near professional production.

To the songs of the Scottish Highlands, Miss Dorothy Kern was presented as Queen of the Scots, culminating one of the most memorable productions in show business.

people gathered to watch the modern dance revelers in the May Fete festivities.

The highlight of this event was the traditional May Pole dance, which gave much color to this Valley Beautiful event.

Dolly Smith wows the crowd with "Fussin' and Feudin'," assisted by Sanderson, Sutherland, McDougall, McBride, and Seidell.

On the following pages, we see the activities which constitute a major role in college life at Monmouth. For not all knowledge is gained in the classroom. Much of it comes from our dealings with others in the realm of activities. "There is only one trouble with life at Monmouth . . . the studies interfere too much with the extra-curricular activities"

STUDENT BODY OFFICERS

This year the Monmouth College student body has been ably run by Jim Nixon, President; Sid Jackson, Vice-President; Charlotte Pierce, Secretary; and Jack Francis, Treasurer. The remainder of the council is made up of one representative from each social organization. The council's pledge to the student body is to maintain and support the highest standards of student life, and to enforce impartially and unflinchingly the regulations prescribed to it.

Due to the council's work Homecoming was a huge success, and the Spring Formal one of the high spots of the year.

Student Body Officers: Nixon, Francis, Pierce, Jackson.

STUDENT-FACULTY COMMITTEE

The Student-Faculty Committee is made up of the President and Dean of the College, the Dean of Women, the Dean of Men, Director of Admissions and Personnel and two members chosen from the faculty, the officers of the Student Council and one representative from each social organization on campus.

The Student-Faculty Committee serves to bring the faculty and students together so that each may more clearly

see and understand each other's viewpoints and problems; thus promoting greater cooperation on the campus. The Student-Faculty Committee takes action on any problems brought up in Student Council which it deems affects the College on the whole. Through this cooperation greater understanding between faculty and student problems has been reached. It has indeed proved to be a successful and worthy function.

First Row: Pierce, M. Clark, G. Clark, May, Buchanan, Carpenter.
Second Row: Francis, Nixon, Miss Kennedy, Dr. Grier, Dean Cleland, Karlson.
Third Row: Mr. Phillips, Mr. Nicholas, Fritz.

STUDENT COURT

Although the Student Court has received little publicity, it is an integral part of our student government. It is made up of five students chosen from the junior and senior classes, two members from the junior class and three members from the senior class. The court may try any student who violates college regulations. The court has, in the past years, been seeking more recognition that they may become even more successful in their undertakings.

STUDENT COUNCIL

Practical experience in democracy is given to the students by the processes of the Student Council. Any broad change in the rules and regulations, curriculum and administration of college affairs is usually suggested by the Council and then presented to the student body for acceptance or rejection. The council legislates on all matters of the Student Body Association and formulates all rules and regulations affecting student affairs. The membership is made up of the officers of the Student Association, class presidents, a representative

from each class, a representative of WAA, senior and junior representatives to the Athletic Board, Editor of the Oracle, YMCA and YWCA presidents, and house presidents. Reports of violations of college regulations are investigated by the Council. The officers of the Student Association are also the officers of the Student Council. This year, it has sponsored the All-School Picnic, the Knox-Monmouth Dance, and a skating party for the student body. As in the past, it has emphasized the importance of honesty on our campus.

We shall now meet those students who have proven themselves worthy of honors higher than those of everyday life. We give you the "Cream of the Crop" on the Monmouth campus. We of the Ravelings proudly doff our caps to these worthy individuals.

SIGMA OMICRON MU

Sigma Omicron Mu was founded in 1926 by Doctor Goodrich, then a French professor here at Monmouth. His ideal was to establish an honorary scholastic fraternity for those junior and senior students who had met certain grade requirements. These requirements were four semesters of honor roll, two semesters in succession. Its purpose is to foster intellectual achievement. Members of Phi Beta Kappa may become members and honorary members are

taken in from time to time.

Each semester Sigma Omicron Mu sponsors a Scholarship Day when their new members are tapped. On this day, too, the members of the freshman honorary fraternities, Pi Gamma Pi and Phi Eta Mu, are tapped. This past fall on Scholarship Day, Mary Garden was given a degree. Following Scholarship Day is the annual banquet to which the freshman honorary fraternities are invited.

PI GAMMA PI

Pi Gamma Pi is an honorary scholastic sorority, organized for the purpose of encouraging high scholarship among the freshman women. Necessary requirements are that each freshman must carry twelve hours of work and must have an average of 3.5 for the semester or the entire year.

PHI ETA MU

Phi Eta Mu is the freshman men's honorary scholastic fraternity. To be eligible for initiation, a freshman must have a grade point average of 3.5 in either the first semester of his freshman year, or in his entire first year. Dr. Hugh Beveridge is the faculty sponsor and the founder.

First Row: Terford, Sympson, Deegan, Foster, Whiteman.
 Second Row: Fox, Lindberg, Stice, Ramback, Allaman, Smith.
 Third Row: Hoover, Thompson, Kling, Bollas, Kelly, Lesch, Mahler.

TAU PI

Tau Pi is the local organization on the campus which corresponds to Mortar Board. It was founded by Mary Ross Potter and its eighteenth class was initiated in May, 1949. Girls who achieve the finest ideals of womanhood are taken at the end of their junior year and make up the active membership during their senior year. Each spring, these girls entertain at a tea for the outstanding girls of the freshman class.

First Row: Walker, McIntosh, Haun.
Second Row: Wysong, Pierce, Carlson.
Third Row: Smith.

Left: Sarah Jane Black, winner of freshman Tau Pi cup for 1949.

FROSH TAU PI

Janie Black, the small dark-haired girl from Omaha, Nebraska, was the winner of the Tau Pi Freshman Cup for the year 1948-49. This cup is awarded each spring to the freshman girl who the members of Tau Pi believe has been outstanding in participation in activities, in character, and in high scholarship.

PI KAPPA DELTA

Pi Kappa Delta is the National Honorary Forensic Fraternity. The purpose of the fraternity is to encourage forensic activity on the campus. Students may become members after two years of speech work, and after representing the college in inter-collegiate forensics. The organization is allowed a certain budget by the college, and is given the use of the college station wagon for out-of-town trips. Maintaining the usual high standards of the college, this group has received some very high honors this past year.

First Row: Phillips, Baehr.
Second Row: Nixon, Kelly, Mr. Wilson.

BOHEMIANS

One of the newer groups on campus, the Bohemian Club, has as its purpose the stimulation of interest among the students in arts and crafts. It is composed of students who are interested in art as artists, and also of students who are interested in art from the standpoint of appreciation. The members paint, and also criticize the work of famous artists at their regular meetings. The club also offers work in ceramics for those having interests along that line. President of the club this year was Gordon Miller.

Above: Gordon Miller, club president, at work on one of his projects in decorating the Union.

Seated: Noyes, Zolan, Dutcher, Carlisle, Hocker, Gradous, Phillips.

CRIMSON MASQUE

The aim of Crimson Masque is to get good drama — good literature — to the Monmouth stage. A good balance of comedy and tragedy has been maintained in the plays this year due to the work of this group and of the director, Mr. R. E. Fulsom.

The plays produced by the Masque during the year were: "The Male Animal," "The Guardsman," and "Romeo and Juliet," all of which were well received by an enthusiastic student body.

Weekly and special meetings serve to supplement the stage knowledge of the members. Masque was led this year by President Marion Austin.

Masque Officers: Austin, Eggleston, Muirhead, Bengson, Robinson, and Tubbs.

First Row: Gradous, Bengson, Austin, Eggleston, Tubbs.
Second Row: Gullberg, Hogue, D. Schlemmer, McEwen, Hodge.
Third Row: Lesch, Miller, Wilmot, Jacobs.
Fourth Row: Hay, Olesen, Snyder, Van Deusen.

NATIONAL COLLEGIATE PLAYERS

Though this select group is small in number, it certainly is far from being small in value. The National Collegiate Players are those members of Crimson Masque who are given credit for encouraging participation in dramatic performances, in play writing, and in the study and the appreciation of all the phases of the drama. Those who obtain membership in the organization should be commended. To become a member

of this dramatic group, a petition must be made to the national organization. To be eligible requires varied and extensive speech courses in college. Liberal acting experience which must be supplemented by experience in all phases of technical work in the legitimate theatre is also necessary. "Take a bow, Players . . . you deserve it, for you are the best on the Monmouth stage."

First Row: McKissick, Austin, Smith, Eggleston.
Second Row: Colvin, McBride.
Third Row: Mr. Fulsom, McGuire, Bengson, Shields, Mr. Wilson.

PI ALPHA NU

"Of Dixie capers and legal papers." Does this bring anything to mind? It should! The annual Operetta-Minstrel Show sponsored by Pi Alpha Nu raised money this year to donate to the fund for the new men's dormitory. Last year the aim was an all-school music scholarship to encourage good musicians to come to Monmouth.

The campus musicians, Pi Alpha Nu, are organized to establish a closer fellowship among these individuals, to promote better standards of study, work and performance, and to further the cause of good music.

VESPER CHOIR

Good voices plus a good director equals excellent music for our monthly vesper services in the chapel. The Monmouth College Vesper Choir holds as its purpose to advance the cause of good choral music for all the college, to foster a fellowship with each other, and to help our meditation and communion with God through music at the vesper services.

The choosing of Monmouth's Tour Choir is anxiously awaited by the members of this choir. The honor of being

chosen is earned by approximately half of the group who are judged by their voice, musicianship, and cooperation. This year the choir may go to Chicago, and other towns in Illinois to entertain and represent Monmouth College. All the fortunate members who go have a very enjoyable and an unforgettable time with many valuable experiences. The choir often sings for special occasions also. Mr. Archer Hayes is the outstanding director who makes this a very worthwhile class.

First Row: Barnett, Olson, Brown, Stevenson, Smith, Schmitt, Forsyth.
Second Row: Grabau, Leiper, Shelby, Buchanan, Mr. Balch, Snyder, Adams, Stewart, Hoffmeister.

First Row: Pinckney, Trushinski, MacMillan, Brown, Kuntz, Bjork, Dittrich, Johnson, Mr. Balch.
Second Row: Fiddler, J. Bovard, Frymire, Brown, Wilner, Paxton, Byrne, Stewart.
Third Row: M. Bovard, Griffin, Greene, Woods, Trapp, Heron, C. Burke, Jenks, Gotthart, Scherer.
Fourth Row: Lewis, Stevenson, Renard, Rulon, Dean, Whitley, Sprinkle, Ripley, Johnson, Larson.

CHORALE

Daily Chapel is made more inspiring because of the singing of the Chorale. Under the direction of Mr. Balch, the group contributes a great deal to the daily worship of the college.

The Chorale travelled to Chicago last spring to give several concerts.

CHORUS

The Chorus is made up of students who like to sing and who are eager to have a chance to air their high C's and their low E's.

Directed by Mr. Balch, the Chorus does its part to uphold the honor of Monmouth College in the field of music.

MESSIAH

"The Messiah," Handel's great oratorio, was presented again this year in December by the Monmouth Choral Society.

One hundred and eighty voices filled the Waid Gymnasium as the singers proclaimed, "Hallelujah, for the Lord God omnipotent reigneth" at an impressive part of the program.

The singing group was made up of members of the Vesper Choir, Chorale, Chorus, and other students who wished to join the society. The choral group was accompanied by the college orchestra, Mr. Balch at the organ, and Miss Riggs and Mr. Campbell at the two

pianos.

Four guest soloists from Chicago enhanced the program with their professional performance of "The Messiah's" great solo work.

The list of performers was so much larger than usual that the gymnasium was chosen for the performance instead of the auditorium. The Choral Society practiced weekly for several months before the performance in order to make this Monmouth Christmas tradition a memorable one. Our thanks go to Mr. Hayes, who did such an excellent job of directing, and to the choral society for a superlative performance.

The entire ensemble poses for the Ravelings camera following the performance.

The Band, Chorale and Chorus are pictured at the finale of the joint concert presented last winter.

BAND

The Monmouth College Band, under the capable direction of Mr. H. A. Loya, has spent another busy and successful year. The activities of the band begin in the fall, when it performs on the grid-iron between the halves of all home football games. Especially worthy of mention this year was the program presented by the Scot musicians at the homecoming game, which was thoroughly enjoyed by all the fans.

In the winter, the band combined with

the chorale and the chorus to stage an excellent concert program, which met with the overwhelming approval of the student body.

In the spring, the band entertained with lawn concerts on the steps of Wallace Hall. These concerts offered pleasant moments of relaxation after busy days of classes.

THE RAVELINGS salutes the band upon the completion of another fine year.

* The M. C. Band pauses in one of its rehearsal sessions to give the photographer a smile.

ORCHESTRA

The orchestra climaxed a very successful year with its concert in February. Under Mr. Campbell's capable direction, the Monmouth Little Symphony Orchestra played an interesting and skillfully performed program. Carol Levine, violinist, was featured soloist in Bruch's Violin Concerto, the piece de resistance of the concert.

Besides its concerts, the orchestra also adds important color to the other musical

programs of the college. It accompanied the "Messiah" performance, and it added background music to the Pi Alpha Nu-sponsored operetta and minstrel show.

Monmouth is proud to have such a skillful, well-equipped orchestra composed of students who are music-minded and willing to participate in many extracurricular programs. May the "Little Symphony" have many more successful seasons.

Above we see the College Orchestra, photographed during the concert held during the winter.

C. C. A. COUNCIL

These students, chairmen of the Y.M. and Y.W. music, publicity, and worship committees, are the ingenious minds who keep the C.C.A. meetings informative and interesting by providing a variety of programs and speakers.

ICTHUS

Members of the Ichthus Club are students who plan to dedicate their lives to religious work. The club gives opportunities for practical training in this field; its members hear lecturers, discuss problems of Christian living, and through extensive youth-work at their respective churches, gain valuable evangelical know-how. The group does much to maintain Monmouth's traditional religious associations.

ICTHUS is a Greek word meaning fish, for the fish was a symbol of Christ in the early days of Christianity. This meaning is reflected in the pin worn by members, a small silver fish.

GOSPEL TEAMS

The gospel teams do valuable work which is not always realized by the student body. Everyone is familiar with the station wagons which gather students together at the campus every Sunday, but many people do not know what goes on.

The gospel teams travel to different churches in the Monmouth area and conduct Sunday morning services. Each team usually supplies every part of the service from devotions, messages, and scripture reading to special music.

The teams, besides giving valuable spiritual ideas to others, also learn a

great deal themselves about church functions and conducting worship services and grow in spiritual discernment as a result of their work.

The gospel teams are sponsored by the college and are considerably aided by the two station wagons which were generously donated by Sam Fulton. These groups are appreciated greatly by churches which have been visited by the teams and by college students who realize what the teams are doing. The teams could well apply the words, "Well done, good and faithful servant," to their accomplishments.

Independent Women's Officers: Craig, McKinney, Beer-nick, Wysong.

INDEPENDENT WOMEN

The Independent Women's Organization contributes frequently to Monmouth's calendar of activities. Its purpose is chiefly social, being to provide the non-sorority women of the school with entertainments. The schedule this year has included a formal dance each semester, sponsored jointly with the Independent Men, and a number of informal parties.

The organization meets every week in the recreation room of Grier Hall, where members plan forthcoming events. Marty Wysong, president the past year, handled the duties of her office capably, and kept the organization going in a lively fashion.

Independent Men's Officers: Karlson, B. Bailey, Har-grave, Grice.

INDEPENDENT MEN

Many of the Monmouth men who do not affiliate with one of the four fraternities on campus are members of the Independent Men's Club. For a number of social events both semesters, they work cooperatively with the Independent Women. This year they sponsored together two formal dances. They also met together for several well-planned and amusing parties in Grier rec room.

President of the organization this past year was Dick Karlson, a senior. Under his leadership the Indees have been an active and progressive group.

SIGMA TAU DELTA

Sigma Tau Delta, honorary English fraternity, offers stimulating fellowship, appreciation of good literature, and encourages creative writing. This chapter of the fraternity is limited to twenty-five student members. Original papers are read at the monthly meetings, and a freshman contest to promote interest in creative writing is sponsored in the spring. Jeanne Hodge served as president, assisted by Bob Wood as vice-president, Shan Reed as secretary, Joyce Chatten as treasurer, and Rita Pool and Edith Erickson as social chairmen.

BOARD OF PUBLICATIONS

Acting as general publisher is the aim of the Board of Publications. The Board has as its members, the editor and business manager of the current Oracle, the editor and business manager of the last year's Ravelings, and three members of the faculty. This year Mr. Dave McMichael, Mr. Dave Fleming, and Mr. Howard Jamieson were chosen to serve on the Board. The members, of course, do not set up an editorial policy to be followed, but instead has for its purpose the job of unifying the college publications.

The Soiled Plaid, with its anonymous

editor and backing, is the only college publication that doesn't bloom under the watchful eye of the Board. It's the "Lonesome Polecat" of M. C. campus, and its editorials are its own business, although it does quite well in letting the school know how it feels on certain pertinent matters.

This year Shan Reed, Lois Tornquist, Don Johnson and Dan Engstrom have worked together to make the Publications Board a real asset to M. C. literary life. Who knows, maybe someday they'll even win over the Soiled Plaid!

Editor Lois Tornquist working on another snappy editorial.

ORACLE

Aiming toward a more spirited and progressive newsheet, Editor-in-Chief Lois Tornquist and her staff worked hard every week to see that student mailboxes were punctually supplied with their ORACLES.

Despite such handicaps as tardy reporters, coal shortages (and the third floor of Wallace Hall can be mighty cold), and antiquated typewriters, the staff managed to keep its readers posted on past and forthcoming events. Student criticisms of the paper were dutifully listened to and considered, with the result that during the year the ORACLE picked up in tempo and quality.

THE RAVELINGS

Paste, pictures, slide rules, important looking pictures, and the incessant click of typewriters hold familiar memories for all members of the Ravelings Staff. This group, under the able direction of Lyle Hoover as Editor and Walker Robb as Business Manager, have spent many hard, long months editing this book. This year it has been the aim of the Ravelings Staff not only to produce a bigger and better book, but also to meet the ever challenging deadlines and to place in the hands of each student a copy of the Ravelings by May 31.

SOCIOLOGY CLUB

Formed two years ago, Sociology Club has become one of the fastest growing organizations on Monmouth campus. Perhaps outstanding programs and trips are the reason. Everyone is interested in meeting old Monmouth grads in the trip through the penitentiary—the wardens, of course.

President of the Soc Club this year was Marion Gantner, who worked hard to make it a success. The group was very fortunate to obtain Mrs. Sanmann as advisor.

INTERNATIONAL RELATIONS CLUB

Under the excellent advisorship of the popular "Goofy" — whoops — Professor Gamer, the International Relations Club is becoming one of the more outstanding organizations on the campus. The membership is made up of those interested in world affairs and their implications.

Ray Fosterling led this year's crew. The IRC is affiliated with similar clubs throughout the United States which were established and are aided by the Carnegie Endowment.

AMERICAN CHEMICAL SOCIETY

Chemistry students must work as hard out of lab as they do in, judging from the success they have made of the Monmouth group of the American Chemical Society. Besides their lectures and other programs, an annual banquet and a Science Hall open house spark their activities.

The A.C.S. is organized for all chemistry students with a professional interest in the field. Head Chemist Warren Lesch has once again brought the group into the campus spotlight this year.

BETA BETA BETA

"Dem Bones, 'Dem Bones, 'Dem Dry Bones" is not merely a song to the Tri Betas. Beta Beta Beta is the national honorary biology fraternity. Membership requires a 2.6 average, an active interest in the field, at least ten hours of biology, and approval by the actives.

Glenn Hargrave did a good job of the presidency, with the able assistance of Dr. Reid, Mr. Frazier, and Miss Rawley, advisors. Tri Beta's many interesting programs drew a good attendance.

CAMERA CLUB

If you want "your pichtur taken," call on any Camera Club member and he'll be glad to oblige. The club was formed to further the interests of photography on the campus and is open to all interested students, even if their knowledge extends no farther than to the workings of the Brownie box.

Thanks to the members of this organization, the Ravelings, Oracle, and other publications were filled with pictures. They have made an outstanding contribution toward making a complete pictorial record of the past year's campus activities.

RIFLE CLUB

If you're in the mood to shoot someone, best that you practice with the Rifle Club. The purpose of this organization is to bring together persons interested in target shooting, hunting, or just plain ballistics. Matches are held with other schools as well as intra-mural contests. The group is affiliated with the National Rifle Association.

The Rifle Club has brought several distinctions to Monmouth campus in the form of marksmanship awards.

PHI ALPHA THETA

Beta Pi chapter of Phi Alpha Theta was organized in January, 1949 here on Monmouth campus. Phi Alpha Theta is a national honorary history fraternity, in fact one of the highest ranking national honorary societies. Membership is not open to the common herds, but only to upperclassmen who are history majors or minors with a straight 3.0 in all their college work.

The presidential gavel was handled very efficiently this year by Don McGaughey.

PEP CLUB

This is a group of twenty-five girls chosen from the student body and organized into the Pep Club for the purpose of stimulating interest in athletic events on campus. Their official dress worn on the day of athletic battle is the red sweater with the Monmouth seal and a grey skirt.

These gals are seen at every football and basketball game loyally cheering the Fighting Scots to victory.

W. A. A.

The Woman's Athletic Association of Monmouth College is one of the busiest organizations on campus. Designed to encourage healthful recreation in both team and individual sports, WAA has sponsored several successful seasons in hockey, badminton, basketball, tennis, bowling and swimming. These are but a few of their prolific activities.

Intramural competition among the sororities and independent groups is one of its major contributions to campus life and school spirit.

Membership is open to any woman if she has participated in two or more sports in any given semester. At present there are approximately fifty-two members in the group.

POLYWOG CLUB

The Polywogs, newly organized on the campus, is a group of girls who like to swim for the fun of it. It also serves as a prerequisite for the Dolphin Club. Membership in the Polywogs is open to any woman interested in swimming, and the club operates under the auspices of the W.A.A. The Polywogs hold regular meetings in the pool, at which time the members practice swimming skills, and water ballet routines. The club offers women who lack sufficient experience in swimming a chance to get this experience and thereby obtain membership in the Dolphin Club.

DOLPHIN CLUB

The Dolphin Club is under the auspices of the W.A.A., and is responsible for the annual water pageant, held each spring in the Waid Pool for the enjoyment of the student body. To obtain membership, a girl must have a Senior Lifesaving rating, or take part in the water show, and must pass certain tryout requirements.

The club's 1950 show, "Rhythm in Rhymes," centered around a nursery rhyme theme, and was presented on March 29. Miss Dorothy Magill is the faculty advisor, and the club was led this year by President Dorothy Walker.

Upper: Felmley, Grabau, Black, Stewart.
Lower: Pinckney, Marshall, Brown, Yard, Johnson.

CHEERLEADERS

Amid the yelling and cheering at every basketball and football game, one sees our seven lively cheerleaders lurching out in front of the crowds waving megaphones and leading the students in songs and cheers such as "Go, Monmouth, go your red and white" or "hit them, smash them, etc."

Try-outs are held every fall for fresh-

men and other students wishing to join this illustrious group. The selection is made by the qualified members of the cheerleading group.

The cheerleaders have done a very outstanding job this year in stimulating active interest and good sportsmanship in all athletic events.

 Second Row: Davidson, McCoy, Fleming, Lauter, Carlsten, Kendall, Patton, Kost, McDade.

HOOT MEN

To create a closer feeling of school spirit among the student body, the hootmen were organized in 1948 by the immortal Bill Christian and since that time has grown both numerically and influentially on campus.

All members are volunteers, acquired by a quota system from all fraternities, classes, the M Club, and Independents. Judging from the usual uproar, there is little doubt as to the future success of the club.

Monmouth teams have long been known for their sportsmanship, their clean play and their hard hitting aggressiveness. The teams of '49 and '50 have lived up to this fine heritage.

FOOTBALL - 49

The Fighting Scots completed the season with a record of five games won, three lost, and one tied. Prospects for next year are quite promising with the expected return of 17 lettermen from this year's varsity, and several talented frosh coming up.

Five members of the 1949 squad were given special recognition on the all-conference selections. Sid Jackson, left end, and Jim Feehley, right half, were named to the Midwest Conference second team. Bob Rosenbaum, Bob Fuhr, and Ted Johnson were given honorable mention on the mythical squad.

A short resume of the games is as follows:

Burlington Junior College—The Fighting Scot B squad opened the 1949 grid season by defeating the Burlington Junior College eleven, 13-6. Paced by the spectacular broken field running of Donny Brooks, the reserves came from behind in the final stanza to topple a

stubborn Burlington outfit.

Ripon—In the opening varsity game of the season, the Scots held highly regarded Ripon, defending conference champions, to a scoreless tie. A hard-fought defensive battle, the game developed into a punting duel with both teams doing outstanding kicking.

Hope—Monmouth suffered its first defeat of the season at the hands of the Hope Dutchmen by a score of 7-0. As the game ended, the Scots were one yard from a touchdown and the possibility of a tie.

Coe—In their first home appearance, the Scots displayed their potential power by humbling Coe 21-7, for their second victory of the season. Jackson, Gilde-meister, and Linton provided the spark for the Scot offense.

Lawrence—In a game that gave the huge Homecoming first thrills, then chills, Monmouth was nosed out by the Lawrence grid machine, 21-13.

THE FROSH PAD MEN

It takes a lot of plain "guts" to play Freshman ball. The "meat-ball" squad eats a lot of dirt to play only two games, and much of the same is dished up by the varsity. They are a scrappy bunch of men, and very deserving of those freshman numerals. The young Scots showed a lot of promise in their two encounters this season; some of the varsity men may well look to their laurels when these boys come back next fall.

Over and Under . . . Result—No Progress

The Scots outgained the Vikings, both on the ground and in the air, by the decisive margin of 314 yards to 216. In the first down department, Monmouth had 16 to the visitors' 7. Sid Jackson climaxed the Scots' first scoring drive as he took Gildemeister's pass on the two and stepped across to score. Later, on a razzle-dazzle play which stunned the Viking defense, Don Gray, left guard, went fifteen yards to score.

Cornell—In its fourth appearance of the season, Monmouth rolled to a 40-0 victory over an outclassed Cornell squad. The Scot line was superb, and held the Rams to only three first downs throughout the afternoon. Jim Feehley was the key man of the day, scoring three Scot touchdowns.

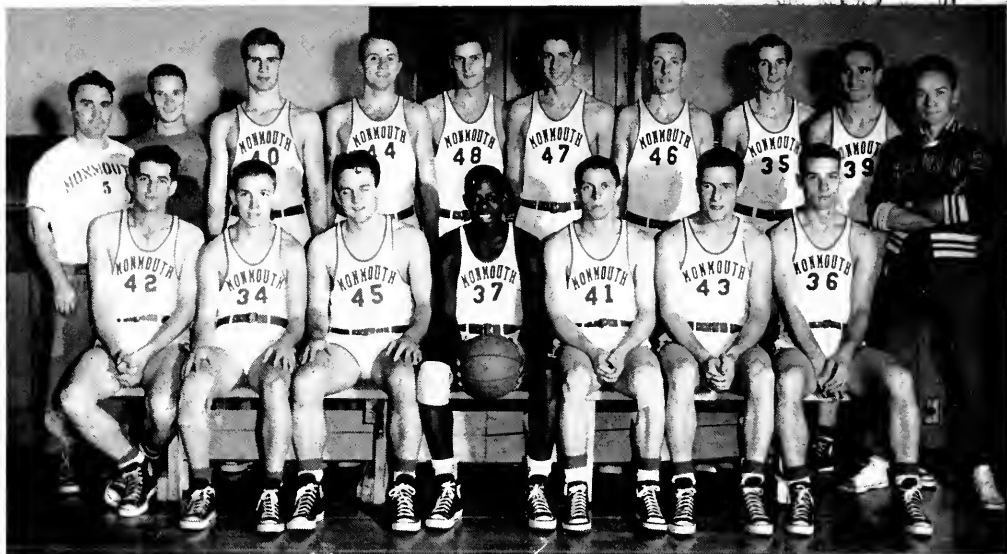

Augustana—Monmouth took to the air to baffle an aggressive Augustana eleven, 14-0, before a capacity Parents' Day crowd. The first Scot score came on a Gildemeister-to-Walton pass, and Walton also scored the

other Monmouth TD on a toss from Gildemeister.

Beloit—Monmouth was forced to come from behind twice to eke out a narrow 14-12 victory over Beloit's Buccaneers. The Bucs combined an alert defense and a powerful offense to give the Scots a busy afternoon. The Scot forward wall turned back several enemy scoring threats in the same creditable manner they displayed all year.

Knox—Despite the pre-game rain and the intermittent showers during the contest, the Knox passing attack stunned the Fighting Scots with a 21-14 upset in the 1949 grid finale. Standouts for Monmouth in the battle with its arch-rival were Kenny Gould, hard-running soph back, Gildemeister, who scooped up an enemy fumble and raced 51 yards to score the first Scot marker. Gould scored the second after he sparked a sustained drive in the third stanza.

BASKETBALL '49-'50

The Fighting Scots completed the season with a record of nine games won, and nine lost. Prospects for next year are promising with the expected return of 10 lettermen, including four of the first five, and several talented frosh.

Special recognition was given to Donny Brooks, who received a forward berth on the all-conference second team.

A short resume of the games is as follows:

Eureka—After a 68-45 warmup with the alumni, the Scot varsity opened the regular season with Eureka, on the home floor. Monmouth lost the decision, 66-59, after leading most of the way. The chief factor in the contest was the victors' height.

Cornell—Playing their first game of the season away from home, the Scotsmen fought a nip-and-tuck battle with Cornell, but came out on top, 65-61. The win placed Monmouth in a 1-0 position in the conference.

Grinnell—Tall, rangy Grinnell was favored to win, but Monmouth tightened up an already tight defense in the second half,

to ice the game. The Scots coasted to a victory, 45-37. It was the second conference success in as many starts.

Quincy—A determined Quincy team came back to Monmouth to avenge a previous season's defeat, and walked away with the honors, 57-54. Nothing was decided until the last few seconds of the game.

Carthage—The Carthage Redmen played host to the Scots in a non-conference tilt. Monmouth ran up a 25-10 lead during the first ten minutes, and emerged on the long end of a 72-61 score.

Ripon—Monmouth was handed the first conference loss of the season by Ripon. The affair was evenly played for fifteen minutes, when the Ripon team exploded. It was a combination of height and fast-breaking speed, and Ripon came out of the fray boasting a 42% shooting average, and a 74-57 win.

Augustana—In a rough-and-tumble encounter at Rock Island, Augustana held the advantage most of the way, but the Scots fought to a 46-46 tie toward the end of the game. At the final gun it was Augie 57, Scots 53.

FROSH HOOPMEN

Coach Jacquet piloted a fine frosh squad to an undefeated season. Behind fine rebounding and accurate shooting, the young Scots romped over Augustana and Knox and found no opposition in the intramural clubs.

Many of these boys will be welcome additions to next year's varsity aggregation.

Down—but not out . . . Let's jump!

BELOIT—Monmouth lost its second game in four conference starts when Beloit ran up a score of 122 to 43. It was a case of a hot Beloit and a cold Monmouth, and the winning outfit was too great an obstacle for the smaller Scots.

KNOX—In a traditionally fast, exciting contest, the Siwashers couldn't quite keep up with a Scot five that was all over the court in a frantic last half. Largely responsible for the 60-55 Scotch victory was the fact that Monmouth connected on 47% of their last period shots from the field.

COE—Racking up 80 points, Monmouth far outclassed Coe who scored only 59. All the Monmouth men were hitting, and it was a banner night for Brooks, Pratt and Follett.

CARTHAGE—After exam week, Carthage invaded the local court. The score was again in favor of the Scots, 76-53. The Redmen fell easy prey to Monmouth's fast break, and all crew members saw action against them.

GRINNELL—Although Monmouth was on the long end of a 30-28 halftime score, the ending gun found Grinnell the victor by

a 68-58 mark. Donny Brooks accounted for 18 points.

LAWRENCE—The Scot-Viking contest was the closest game all season on the home court. Monmouth went into the last 2 minutes ahead and eked out a 57-55 win.

CARLETON—Monmouth lost its fourth conference game in nine starts against a strong Carleton five. It was a night when Monmouth was cold and Carleton was hot. Final score—Carleton 60; Monmouth 45.

KNOX—The Siwashers employed a double pivot against the Scots, which completely thwarted our defense. By dropping this one, Monmouth ended Conference play with 5 wins and 5 losses.

LAKE FOREST and AUGUSTANA—The last two games were non-conference tilts, Monmouth losing the first, winning the second. Lake Forest, led by Norm Berglund, downed the Scots, 70-61. Against the Vikings, Torrence led the Scots to a 65-47 win.

TRACK '49

During the '49 season Monmouth was running with the best of them on the cinder path. The tape was continually broken by the Red and White, and Monmouth's muscles heaved the weights respectable distances. The consistent performance of the varsity cleatmen made Coach Robinson's crew a much feared opponent whenever they doffed their warm-up togs.

Besides being potent in dual and quadrangular meets, the legmen boasted a second place at the Coe Relays, a fourth at the Beloit Relays, and made an impressive showing at the Chicago Daily News Relays. Here they ran second to Wheaton and outdistanced Chicago University in a matched mile relay. At Drake, the Red and White took a fourth in the sprint medley; they also placed in the mile and the two mile relays at Purdue. Versatility plus!

In conference running, the thinclads captured the show position behind a strong and well-balanced Beloit team, and Lawrence, a perennial favorite. Riggs and Pratt both won in their respective races. Riggs strided to a first in the 440 and Pratt hurdled to a win spot in the 220 low hurdles.

New records were set in the 440, 880, mile and mile relay. Riggs contributed to the first, Carlsten to the second and third, and Riggs, Carlsten, Pratt, and Kruidenier to the last. The remarkable thing is that all these trackmen will be back in '50. They will be augmented by a strong freshman crew which distinguished itself by copping the Mid-West telegraphic title last spring. The '50 season may well be M. C.'s year.

FRESHMAN TRACK '49

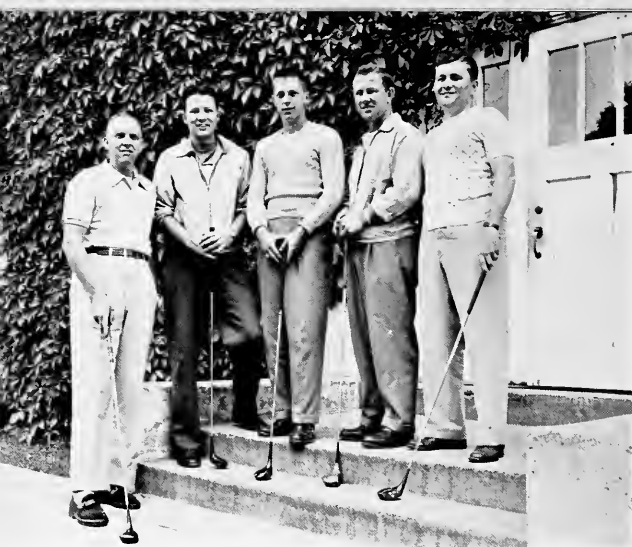

Coach Robinson had two winning track teams during the '49 season. Coupled with the fine performance of the varsity squad was the above fast moving circuit runners and weight men who had a great deal of success themselves. The first yearers out ran and out put both Knox and Augustana; they doubled the score on

both of the opposing teams. Their greatest achievement, however, was the winning of the Mid-West Conference telegraphic meet, a feather in any team's war bonnet.

Great things are expected of these legsters when they qualify as varsity material next spring.

Coach Tom McMichael's tankers swam their way into the hearts of Monmouth aqua enthusiasts this year. Before this season Monmouth splashers were making but small ripples in the water sport. This year, however, they showed great promise. With the nucleus of the team only sophomores and fine prospects from the fellows below, next year's pool goers may well see a lot of Monmouth firsts. As was said, next year's team will be augmented by the frosh below whose claim to fame came this year in sinking the Siwash twice.

In the Mid-West tilt, Bill "the fish" Dewey copped a second in the 60 yard free style and Larry Benson and Denny McDade took fourth and fifth, respectively, in the 200 yard breast stroke.

BASEBALL '49

Flashing spikes, stolen bases, the crack of the bat as it meets horsehide, and "Jake" in the coaching box—that's baseball at Monmouth. It may not be the Sport of Kings, but it brings out Monmouth fans in the springtime.

The '49 squad, under the mentorship of Coach Jacquet, was a much improved ball team over the previous year's club which won 3 and lost 7 for a .300 percentage. The Forty-niners collected six wins in fifteen starts for a .400 percentage after

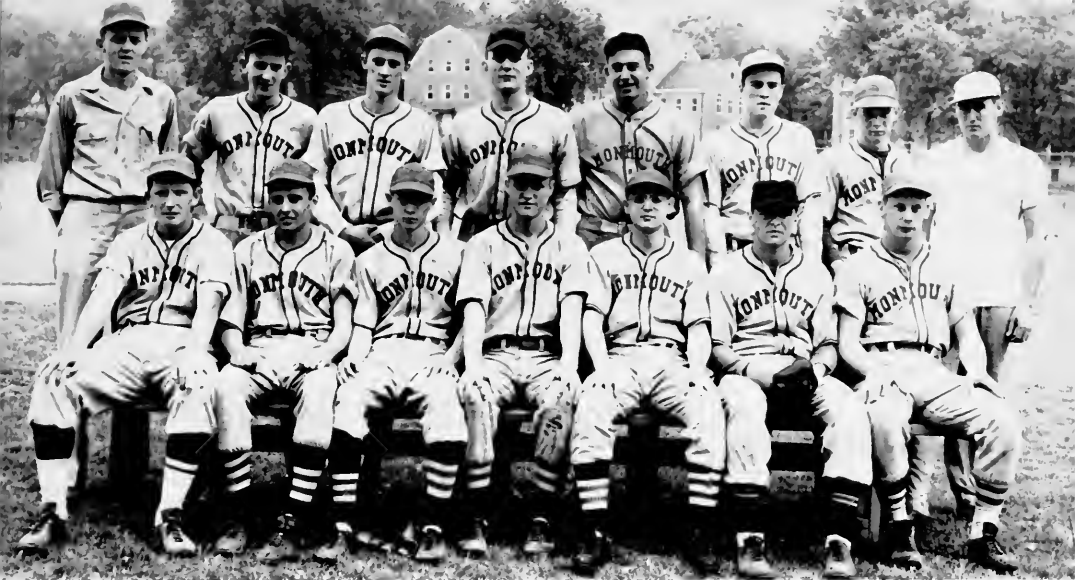

facing stiffer competition than had the '48 team. Hurlers Walton, Jackson and Hofbauer turned in creditable pitching, and the big bats of Bogott and Scholten both boomed over the .400 mark.

Diamond hopes are high for the coming season as eleven lettermen will return to take their stand in the batter's box. Then there is always the hope that the farm team, in this case the freshmen, will send up some talent to help the regulars along to a successful season.

THE FROSH NINE

Above are pictured the men who made up the frosh squad of the '49 season. A typical characteristic of freshman sports is the limited number of games played. The schedule was finished after two encounters with Burlington Junior College. This naturally limits the incentive to participate, but most of the men marked time and looked forward to the coming seasons with the varsity. The first yearers were also

plagued by the varsity who took up most of the playing time on the local diamond.

Although the squad dropped both of their games with Burlington, spectators were able to detect a lot of potential ability in the men. At times the boys showed some real baseball "know how," and after this conditioning period they should be ready to go come spring.

CROSS COUNTRY '49

Our hats are off to these five men who stretch their legs over a better than two mile course—and enjoy it. While most people are turning up their collars and watching the pigskin sport, these lads are trying to make it back before the second half begins, and strangely

enough, they do it.

Versatile Bobby Carlsten set a new record for the two mile—10:23; this time was clocked at Coe. Carlsten also placed seventh in the Mid-West Conference meet at Washington Park in Chicago, the meet's new home.

THE FIGHTING SCOTS

Above are the pictures and the names of the men who actually made this section a reality. These are the fellows who go "all out" for Monmouth in the sports arena. Many of us are prone to overlook the exploits of these players, but here's a hearty "pat on the back" to the men who wear the M's. May we always have men like this to make up Monmouth teams. They are truly the "Fighting Scots."

Here are the Greeks, those fraternal organizations which contribute so much enjoyment and color to the whirl of activities here at Monmouth.

ALPHA XI DELTA

The Beta Epsilon chapter of Alpha Xi Delta made its appearance on the Monmouth campus in 1932. Ever since that time, the "wearers of the Golden Quill" have been able to keep busy and active in all phases of activity on the Monmouth campus. Beta Epsilon's social calendar was complete, as it was filled with the formals, Pickle Mixes, initiation banquets and teas.

First Row: Johnson, J. Calhoun, Hessler, McLaughlin, Grabau, Anderson.
 Second Row: Sutherland, Searle, Fuhr, Haag, May, Felts, Forsythe, Calsen, Hastings.
 Third Row: Klang, Thompson, Howell, Walden, Acheson, N. Brown, Hass, Lambers, Matson, Chatten,
 Lauer, Smith, Hill, Bossow.

First Row: Shelby, Holmdahl, C. Hastings, Seymour, Jacoby, Koch.
 Second Row: Hanford, Seyer, Graham, Mlady, Fletcher, Wilson, Barrett, Strangeway.
 Third Row: McCreery, Hoeppner, Pura, Fivek, Stewart, Whowell, Carlson, Williams, L. Calhoun, P. Brown, M. Forsyth.

A prize winning homecoming float, coupled with cheerful reunions with old friends, made the homecoming weekend complete for the Alpha Xis. The "Frosty Fantasy" winter formal was enjoyed by all the girls and their dates, and the Christmas party, which was complete with Mrs. Santa Claus in full regalia, served to climax the fall and winter social season, and in the spring, the dreamy spring formal dance for Alpha Xis and their escorts proved a fitting climax to another year of activity,

and these memories will live in the diary of every Alpha Xi girl on campus.

At the National Convention which was held at French Lick during the past summer, these girls, as many as were able to do so, joined with their fraternity sisters in giving their whole-hearted support to the national philanthropy movement at Brown County, Indiana. Yes, this year has been a memorable one indeed for all the members of Alpha Xi Delta.

KAPPA DELTA

The members of Kappa Delta—the white rose girls—have been well represented in all campus activities during the past year.

The first activity of the year for Kappa Delta was participation in Freshman Week, sponsored by the Y.W.C.A., followed by the excitement of rushing. On Pledge Day, twenty-six eager girls looked ahead to their first year with Kappa Delta.

First Row: Schmucker, Garst, Hayes, Stevenson, Tornquist, Campbell, Black, Rhea.
 Second Row: Stewart, Huey, Wilson, Carlson, Clark, Pool, L. Jackson, M. Schlemmer, Hogue, Enloe.
 Third Row: Freidenhagen, Moffatt.
 Fourth Row: Horner, Carlisle, Erickson, J. Jackson, Prugh, Carlson, Huston, Carnaby, Gillet, Martin, Price, Bond, Wilner, Jacobs, Gustafson, McDonald, Anderson, Neimann, Faus, Tarbox, Ralston, Brown, Trushinski, Hulsebus.

First Row: Armstrong, Howell, Schlacht, Vaughn.

Second Row: MacMillan, Stewart, Meredith, Williamson, Glennie, Gould, Over, Froelich.

Third Row: Lusk, Moser, Marshall, Mellon, Youngquist, Winz, Gotthart, Cook, Jackson, Hadden, Capron, Wolford, Clark, Kunde.

October was another month of activity for this sorority. Homecoming with all its color elected Donna Neimann as junior queen. Five other KD beauties were a "Toast to the Team" on a colorful, balloon-decorated float. Alumnae were welcomed by the chapter at a banquet at the Elks Club in honor of Founders' Day, October 23. At this time, the new pledge class was introduced, and awards were presented to the outstanding active members of the chapter.

The KD social highlight of November was the "Emerald Ball." Kappa Delta royalty danced to the glitter and gleam of green and gold, and a fine evening was enjoyed by all the KD's and their dates.

The Christmas season began with the traditional holiday tea given by the Monmouth alumnae chapter. The rest of the social calendar was filled with teas, Olive Binges, and the big initiation banquet held at the Galesburg Club.

KAPPA KAPPA GAMMA

Wearers of the golden key had a busy year, within the chapter and in campus activities.

KKG's were active in Homecoming affairs. Jill Van Deusen served as co-chairman of the event, and Winkie Wilmot and Mona Yard were chosen beauty queens. The chapter placed second in the Stunt Night competition.

Both the Fall and Spring formals of Alpha chapter were occasions of much fun for Kappas and their escorts.

First Row: Noyes, Hocker, Van Deusen, Stetson, Thompson, Denniston, McAllister, Brockway.
 Second Row: Black, Castle, Walker, Weakly, Tubbs, L. Wittberger, Austin, Turnbull, Beaumont.
 Third Row: Pierce, Routsong.
 Fourth Row: Cameron, Acosta, Zinger, Hansen, Bischman, Wilmot, Deschwanden, Dean, S. Berry, Plumer, Watt, B. Berry, Baehr, Larson, R. Wittberger, Barnhart, Phillips.

First Row: Lewis, McBain, Hollander, Barnett, Yard, Dutcher.
 Second Row: Darrow, Clindinin, Harget, Shepardson, Zolan, Guin.
 Third Row: Brown, Mason, Smilie, Warnecke, Turnbull, Paxton, Dixon, Smith, Bourne, Schaffer, Kuntz.

Alpha chapter was proud of its twenty-three wearers of the Sigma Delta pin. Their pledging climaxed rushing with its informal and formal parties. To celebrate the occasion, a banquet was held in the Custer Hotel in Galesburg. Besides honoring the new pledges, the banquet also honored the eightieth anniversary of the founding of Alpha chapter of Kappa Kappa Gamma on the campus of Monmouth College.

Two parties were given for pledges of all other sororities on campus. One was in the traditional form of an early morning breakfast. The pledges also enter-

tained the actives at Pretzel Benders—with delicious food and enjoyable entertainment. Dates were also entertained at various Coffee Clutches, the annual Tea Dance, and other parties throughout the year. The chapter honored the faculty with a tea, and in May one was given for Mother's Day.

Kappas swam to victory in the inter-sorority swimming meet and came through as champs on the hockey field. Their winning of the scholarship award in the fall marked the second consecutive time. Activity seemed the keynote of the 1949-50 year for the Kappas.

PI BETA PHI

Illinois Alpha Chapter of Pi Beta Phi had another very successful year. Many activities were enjoyed such as the Cookie Shines at Holt House and the formal. The formal was the highlight of the winter events. The evening began with cocktails served at Holt House. This was followed by a banquet at the Elks Club. The evening was climaxed by the Twelfth Night Dance.

First Row: Rossell, Latimer, Black, Trainor, Wayne, McDougall, Phifer.
 Second Row: Hilsenhoff, V. Ray, McDowell, McIntosh, Haun, Buchanan, Muirhead, Tubbs, Gardner, Thompson, Milward, Schmetter.
 Third Row: Clark, Gantner, J. Ray, Shaner, Davis, McKee, Beatty, L. Ramsdale, Finley, McBride, Levine, Wagner, Weiser, M. Ramsdale, Ranney, Payne.

First Row: Grasse, Dietrich, Applegate, Hicks, Pierce.
 Second Row: Emmons, Sillars, Guilbert, Jennings, Sekera, Fuller.
 Third Row: Ripley, Luper, Riffey, Myers, Bjork, Hill, Keating, Johnson, Hogan.

The spring social events were started with the Pi Phi open house which was held at Holt House. As in the past, the Pi Phis entertained their escorts at their annual Twelfth Night Dinner Dance. The Spring Formal was a perfect climax for the year's social season.

This year two girls were elected to attend the convention in Canada. They were Elizabeth Schmetter and Betty Carol Hilsenhoff, while Marilyn Phifer and Carol Levine served as alternates.

The Pi Phis had two girls elected to the Homecoming Court this year. Marcia

Tubbs was chosen queen by the student body, and Jeanne Black was named as Senior attendant.

This year Pi Beta Phi pledged twenty girls. The pledges enjoyed many activities during their semester of probation. In December they gave a party at Holt House for all the other pledges of the other sororities on campus. Cookie Shines, pledge tests, and earning library hours were also enjoyed by the pledges.

The Pi Phis have completed another year of well-rounded activity on the Monmouth campus.

ALPHA TAU OMEGA

The Alpha Taus glance back at the past with a proud realization that since Alpha Tau Omega was installed and Phi Kappa Pi retired in May, 1947, the azure blue and gold colors have been flying with the chapter actively participating in all campus activities.

With a well rounded schedule of events, the chapter has held its own in intramural competition with past championships encouraging the present conflict.

First Row: Cameron, Robb, Johnson, Knox, Dial, Stewart, Dewey, Tubbs, Frymire, Brechbill.
 Second Row: Gray, Carlson, Koenig, Bailey, Stice, Francis, Sauer, White, Hiatt, Ramback, Sheldrup, Matson.
 Third Row: Kost, Wilkins, Ginter, Ellerby, Holliday, Chew, Alden, Vance, McCoy, Dr. Beveridge, Behm, L. Murphy, Bashaw, Pratt, Missavage, Strand, Witter, Marshall, Dannewitz, Weymuller.

First Row: Sharp, Samsel, Felker, Johnson, Cherveney, Shirck.
 Second Row: Sachs, McBride, Frobish, Sevard, Whipple, Schmitt, Evans.
 Third Row: Lauter, Hofssoos, Phelps, Adams, Lynch, McCoy, Trask, Stevenson, Risvold, Weber, Fowlier, Sell, Hoenig, Kniss.

Varsity sports has its share of first string men from the "house on the hill," including football, basketball, track and baseball.

In social circles the numerous open houses afforded a gala time for all and the mid-season culmination of events was the annual Christmas Tea, entertaining faculty, guests and members. Although Terre Haute days are gone, Indianapolis makes an ample substitute for the perennial Province 17 convention of Alpha Tau Omega where business as well as pleasure makes for an enjoyable time.

The Little Theatre has used the talents of Taus in many productions both in the past and present. Student government offices have their share of capable ATO's with seats occupied in student court, student council, student governing board, and student-faculty board. The scholastic achievements and memberships to the various honorary societies on campus are many.

So goes another progressive year in the Alpha Tau's history. A glance in the past brings pride as does a glance in the future, with the "hang together Taus."

THETA CHI

The school year 1949-1950 again found our members taking part in all the various activities of M. C. One of the principles of Theta Chi is to encourage a diversified extra-curricular program among its members, and that this has been fulfilled can readily be seen by their participation in such activities as athletics, Crimson Masque, forensics, music, etc.

First Row: Weber, Chestnutt, J. Geiger, Ivey, Shebeck, Benson, Symons, Niklaus, Colton.
 Second Row: Turnbull, Walton, Follett, Timmons, Carpenter, Mrs. Coulter, Murray, McCosh, Barker, Chatfield, Stadler.
 Third Row: Carlsen, Toohy, DeMorest, Irion, Basinger, McGaughey, Walker, Farrar, Haskell, Owen, Sheneberger, Ritchie, Hildreth, Hansen, Ferguson, Bermann, Anderson, Wheeler.

First Row: Pressley, Hartshorne, Moore, Johnson, Dochterman.
 Second Row: Aiken, Geiger, Olson, Emmons, Trapp, Adams, Stevenson.
 Third Row: Levine, Toal, Hewes, Murray, Larson, Vest, Neuses, Kelley, Homblette, Smith, Adcock, Peterson, Simon, Frymire.

Socially, Theta Chi has had a well-rounded program of formal dances, teas, and open houses, foremost of which was the "Barbary Coast" open house, now an annual affair. The traditional faculty tea and children's party just before Christmas vacation was a fitting prelude to the Yuletide season, after which were scheduled the usual events leading up to the Spring Formal, the climax of the social season.

In intramural sports, Theta Chi had another successful year, especially in basketball. After a rigorous season against some very good competition, the

OX Club quintet emerged undefeated to capture the championship trophy, while in touch football, they finished in the runner-up position.

A budgeted membership of 38 active members and 25 pledges has helped, in no small way, to boost Theta Chi into the position it now holds on campus, and it is hoped, that in the future, the brotherhood of men in the "big red-brick house with the pillars" will continue to improve and be worthy of its status on the campus of Monmouth College.

SIGMA PHI EPSILON

Sigma Phi Epsilon, founded at the University of Richmond, Virginia, in 1901, came to the Monmouth College campus on May 22, 1948. On that day 34 undergraduates were initiated as Illinois Gamma Chapter was installed.

During its first year on campus, Sig Ep joined the other organizations in leading campus activities. During this, the second year, Illinois Gamma con-

tinued its growing by taking first prize in the Homecoming Stunt Night festivities, and also third prize in house decorations.

Two formal dances headed the social calendar this year. December 10 was the date of the annual winter formal, the theme of which this year was "Holiday Inn." On May 20 the annual "Queen of Hearts Ball" was held at the Monmouth Country Club, and once again the queen of Sig Ep hearts was chosen.

Two of the outstanding open houses were held in March and April. The first one featured a miniature casino, whereas the second one was a rough-and-reedy-type open house, featuring a mild

obstacle course and several new games. Both open houses were well attended and enjoyed by all who were there.

Intramural athletics saw Sig Ep get off to a slow start, only to go out in the lead for the all-around trophy by capturing first places in the track meet and in badminton.

Membership showed an increase this year with the initiation of 11 men in September, and eighteen more men in February. Thirty-three men were pledged during the first semester, and twelve more at the beginning of the second semester. The present membership includes fifty-seven actives and twenty-one pledges.

TAU KAPPA EPSILON

Tau Kappa Epsilon, Monmouth's oldest national fraternity, once again took a leading part in the activities on the college campus.

Ranking high in scholarship, both locally and nationally, the Tekes have won the Kiwanis Scholarship Plaque nine out of the thirteen times it has been awarded. They also ranked third highest in scholastic achievement among all Teke chapters in the nation.

First Row: Anderson, Lemn, Bruch, Ady, Reid, Fritz, Mrs. Massingill, Wilcox, Forsyth, B. Johnson, Burke, T. Johnson.
 Second Row: Wead, Ornat, Davis, Messmore, Ford, Myers, Hoover, Olesen, Kling, Thompson, Schweitzer, Gray, Kendall, Klug, McGaughey, Scholten, Fosterling, Hartung, Whiteman, Schmetter, Adkisson.
 Third Row: Riggs, Gildemeister, Struthers, Hershberger, Shields, Schwind, Engstrom, Burnett, Slater, Keating, Yeager, Fox, Josephson, Bastian.

First Row: Becker, Conant, Dunn, Kendall, Rogers, Flynn, Posey, Huff, Malmquist, Hoffmeister.
Second Row: Spicer, Trowbridge, Buchanan, Heron, Richard, Eerchtold, Allison, Neilson.

Homecoming is always a gala occasion at the Teke House. The TKE Green Dragon homecoming float captured the admiration of the crowd as it captured the first place trophy. The returning alums were entertained at a Buffet Luncheon before the game and met again after the game at the "Fifth Quarter" open house.

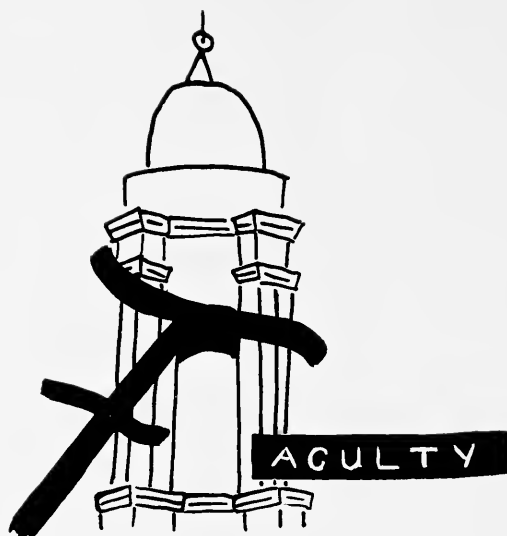

The social calendar of Alpha-Epsilon has been busy and complete for the 1949-50 school year. Many festive open houses, the annual Pig Roast, the fall formal, teas, the Christmas party for the under-privileged children, the Parents' Day Banquet, and the Spring Orchid

Formal highlighted the social season.

As has been the case in recent years, Tekes have played an active part on all of the athletic teams for the Fighting Scots. Their athletic ability was also neatly displayed during the run of the intramural season, as they squeezed in to first place in the touch football race, and played a key part in the overall intramural picture.

Music minded fraters banded together, and in a close decision, managed to win first place in the 1949 Interfraternity Sing.

Strong and successful today, stronger and more successful tomorrow.

Under the Wallace Hall tower of learning, Monmouth College students meet each day with the faculty members to increase their knowledge. The faculty members hold the reins—they impart to others the knowledge they have gained through experience. But imparting knowledge and philosophy in the classroom is only a part of the faculty's association with the student. The two also meet in the social world at teas, dances, and at faculty homes. Those who coordinate and guide the student's college days also have a great part in the formation of his future.

Now we give you the individuals—the personalities—about whom the preceding sections of this book are built. Meet the Monmouth student body . . .

Senior officers, pictured here, are Jim Carpenter, president; Roger Fritz, vice-president; Martha Wysong, secretary; Don McKinley, treasurer; and Jerry Linton, Student Council representative.

SENIOR CLASS

So long, Seniors! The four short years at M. C. are drawing to a close for the members of the class of 1950, and as these seniors leave they will carry with them memories of many happy college days here at Monmouth. Dances, football games, homecomings, polescraps, once so near and vital, will now become but treasured memories of happy college days. As you leave our midst, Seniors, the students of Monmouth salute you, and wish the best of luck to the class of '50.

AUTOGRAPHS

Junior Officers: Oral Kost, Student Council Representative; Bob Anderson, Vice-President; Chan Pratt, President; Rita Pool, Secretary; Don Brooks, Treasurer; Keith Follett, Athletic Representative.

Great things were done by the class of 1951! Juniors published this issue of the RAVELINGS and became outstanding in scholarship, activities and athletics. They closely watched the seniors for tips on Monmouth traditions and customs. Next year as mighty seniors they will carry on in "the good old M. C. way."

SOPHOMORE CLASS

Two down, two to go! The class of 1952 has completed the first half of its college career. It can look forward to assuming greater responsibility and backward to freshman hats and pole scraps. Sophomores helped plan all-school dances and were active on the newspaper and year-book staffs. They have shown leadership, ingenuity, and enthusiasm and will be able to hold their position as upperclassmen in the fall.

FRESHMAN CLASS

On the way up! The freshmen that entered in the fall will graduate as the Centennial Class in 1953. Theirs is a special honor and they have already shown spirit, cooperation and respect for the ideals and traditions of Monmouth College. The future of Monmouth will never be in doubt as long as incoming students are as conscientious and energetic as the "Baby Scots" of 1953.

Friendliness Lives Here

There is something about a store of our type which breeds friendliness. We sell cards to send your friends, stationery to write to your friends. Much of our merchandise is MERCHANDISE OF FRIENDSHIP: gifts to send your friends, books to send those you love, children's games and books for your little friends who are so precious to you. We have little birthday cake plates that sing "Happy Birthday to You" and those records that you play at home when your friends come in; records that you dance to; classical records for an evening at home.

Somehow a store where students come is a friendly store. Books, records, greeting cards and gifts make you think of other people. Perhaps it is youth, the enthusiasm and the love that makes for friendly feeling.

Life will be pleasant if you think to REMEMBER YOUR FRIENDS. We like to help you remember and keep friends.
